MEMORANDUM FOR: Director of Security

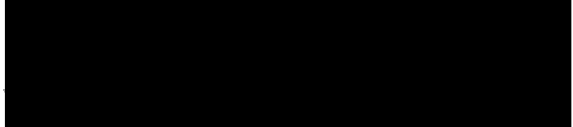

SUBJECT: Safety Program

REFERENCE: Memo from the White House, dated 14 Oct 55,
same subject (copy attached).

1. Referenced memorandum is forwarded to your Office as the element responsible for the Agency's safety program.

2. As you know, this Office is particularly interested in the injury aspects of the safety program in relation to its responsibility for compensation benefits. I would therefore be interested in any publication which you might initiate in response to the final paragraph of Mr. Young's memorandum.

Harrison G. Reynolds
